Emergency Procedures

This safety and emergency preparedness information is provided by the Iowa Emergency Management Division for State of Iowa Capitol Complex employees. If you have any questions please contact your emergency building supervisor or the Emergency Management Division at (515) 281-3231. State Employees not located on the Capitol Complex should follow their department/office emergency plans.

Bomb Threat

Once a bomb threat has been received employees are asked to search their personal office space and report any suspicious packages or items to emergency officials. This search will aid emergency officials, due to employees being more familiar with their own work area and what would be considered out of place more so than an emergency responder.

Evacuation orders will be conveyed through the public address system or through personal notifications. Employees should take action as directed by emergency officials as to a safe location when evacuating. No one should try to re-enter the affected building until the "all clear" is announced.

A telephone threat checklist follows on page two.

If you receive a bomb threat, report it immediately to State Patrol at (515) 281-5608.

Fire

1. Close doors as you leave, to isolate the fire.
 2. Walk - do not run or hesitate.
 3. Do not use elevators in evacuating.
 4. Supervisors with handicapped personnel will be responsible for their safe evacuation.
 5. Exit the building at the nearest exit away from the fire source.
 6. All employees should know the location of their nearest fire extinguisher and how to operate it.
- Do not delay evacuation in attempting to extinguish any uncontrollable fire.*
7. Evacuees should remain in their designated assembly areas until emergency officials supply additional information.

If you discover a fire, go to the nearest fire alarm box and sound the alarm. Immediately call 911 and then State Patrol at (515) 281-5608.

Medical Emergency

Call 911 and then State Patrol at (515) 281-5608

Post employees at building entrances to direct medical personnel. Try to make the person comfortable and wait for emergency personnel to arrive.

Tornado

Upon notification via the public address system, or the NOAA weather radio, report to your designated tornado shelter area:

Capitol Complex Tornado Shelter Areas

Capitol. Ground floor: corridors and the Capitol-Lucas tunnel.

Grimes. Basement and tunnel: central core between hallways on the 1st & 2nd floors.

Hoover. Level B and North half of level A and the tunnel.

SALLY J. PEDERSON
LT. GOVERNOR

July 1, 2003

Dear State of Iowa Employees:

It is my pleasure to share with you Iowa's second electronic State Government Metro Area Telephone Directory. I recommend this directory as a comprehensive source for several of its features including the Iowa Zip Code directory, Iowa Area Code maps and listings, extensive Topical Listing of Iowa State Government services, and of course, state employee's phone numbers. By taking advantage of the timesaving electronic search functions included in this directory, finding desired information is made even easier.

For further convenience, this e-directory is not only available on CD - Rom and on many State Agency local area computer networks, but is also available on the Internet. No matter where you are, as long as there is an Internet connection nearby, your key to connecting with State agency resources is at your fingertips.

I know that you will find this e-directory an essential tool to assist you as you work to provide Iowans the best services possible.

Sincerely,

Thomas J. Vilsack
Governor

The information contained in the Employee section is compiled from Department of Personnel records. Changes to employee names, locations and telephone numbers should be reported promptly to each department's personnel officer. The personnel officer should update the information with the Department of Personnel.

All department telephone and email listing changes, corrections, additions or deletions should be submitted to the staff in each department responsible for updating personnel information.

Telephone Usage Policy

Long distance service is for official state business only and shall not be used for personal long distance calls. Long distance calls charged to the state are clearly contrary to proper usage. Personal long distance calls should be paid for by the user through a credit card, personal calling card or pay telephone.

General Information

This directory is published annually by the Iowa Communications Network (ICN), P.O. Box 587, Johnston, IA 50131-0587, (515)725-4692.

This directory provides information on telephone use within the Iowa state government telephone system. For detailed information on area codes and international dialing, please refer to the telephone directory published by your local service provider.

Purchase of Directories

To purchase directories, please contact the Service Delivery division of the Iowa Communications Network (515) 725-4768.

Name and Address Changes

This directory is produced with information furnished by coordinators at each state agency.

Acknowledgments

Thanks to each department contact without whose assistance this directory could not have been produced.

Using the Directory

This directory is available on the Internet at www.icn.state.ia.us, and on CD-ROM.

For the online version, go to ICN's home page at www.icn.state.ia.us and look for the Metro Area Telephone Directory 2003 link.

In order to open, view, search and print the directory, Adobe Acrobat Reader software must be installed. It is freely available from Adobe Systems Inc: www.adobe.com

ICN Telephone Services

Billing

Agencies are billed monthly for voice services on the Capitol Complex telephone system. If you have questions regarding billing charges or services, please contact the ICN Customer Service and Support at 725-4633 or toll free 877/ICN-IOWA (877/426-4692).

Conference Calls

Operator Assisted Conference Calls (Capitol Complex Offices) may be established through the State Government Operator. Notify the State Government Operator 24 hours in advance of the call. Provide the telephone numbers you wish conferenced, along with the desired time of the call. The State Government Operator may be reached by dialing 281-5011.

Dialing Instructions

The Iowa Communications Network currently provides telephone service for the following state prefixes: 281, 283, 242, 323, 725 and 883. For area code information please see pages 10-11.

Internal Calls

Dial the last five numbers when calling within or between the following telephone prefixes: 281, 283, 242, 323, 725 and 883.

External Local Calls

To dial direct in the Des Moines Metro Area: Dial 9 plus the 7-digit number.

Long Distance Calls

To dial direct: Dial 9 + 1 + area code + phone number

International Calls

To dial direct: Dial 9 + 0 + 1 + 1 + country code + phone number

Information

For state information: Dial "0" or extension 1-5011 to reach the state operator.

For local and long distance information: Dial 9 + 1411.

International operator assistance: Dial 9 + 0 + 0.

Telephone Repair

Report any telephone problem to your agency telephone contact. Report the telephone number experiencing trouble, the agency and location of the telephone and contact person. Give full details of the telephone problem.

If you have problems with telephone listings (i.e. receiving wrong numbers), contact your agency telephone contact. It is important to track the origination of the calls, where the caller originally received the number (if from Information, which area code was dialed), the number the caller dialed, and the number the caller received.

Agencies not listed above may be reached by calling Relay Iowa below.

Relay Iowa - Telecommunications Relay Service

Relay Iowa provides full telephone accessibility to people who are deaf, hard-of-hearing, or speech impaired. Specially trained Communication Assistants (CAs) confidentially complete relay calls and stay on the line to relay conversations electronically over a text telephone (TTY), or verbally to hearing persons. Hearing persons and businesses wishing to talk with persons who are deaf, hard-of-hearing, or speech impaired may also use the relay service to reach them by telephone. Relay Iowa is available 24 hours a day, 365 days a year.

To use Relay Iowa, call toll free 800/735-2943 (Voice) or 800/735-2942 (TTY).

After dialing the appropriate number, a CA will answer. Give the CA the number you would like to call, and the CA will stay on-line to relay the conversation. The CA will relay the call - word for word - and keep the conversation strictly confidential. Local calls are relayed free of charge and long distance calls will be billed at a reduced rate.

The Relay Iowa program is administered by the State Department of Commerce, Utilities Division and funded by the state's telecommunications utilities.
